Subpart A—General

INTRODUCTION

§ 102–118.5 What is the purpose of this part?

The purpose of this part is to interpret statutes and other policies that

assure that payment and payment mechanisms for agency transportation services are uniform and appropriate. This part communicates the policies clearly to agencies and transportation service providers (TSPs). (See § 102–118.35 for the definition of TSP.)

§ 102–118.10 What is a transportation audit?

A transportation audit is a thorough review and validation of transportation related bills. The audit must examine the validity, propriety, and conformity of the charges with tariffs, quotations, agreements, or tenders, as appropriate. Each agency must ensure that its internal transportation audit procedures prevent duplicate payments and only allow payment for authorized services, and that the TSP's bill is complete with required documentation.

§ 102–118.15 What is a transportation payment?

A transportation payment is a payment made by an agency to a TSP for the movement of goods or people and/or transportation related services.

§ 102–118.20 Who is subject to this part?

All agencies and TSPs defined in § 102–118.35 are subject to this part. Your agency is required to incorporate this part into its internal regulations.

§ 102–118.25 Does GSA still require my agency to submit its overall transportation policies for approval?

GSA no longer requires your agency to submit its overall transportation policies for approval. However, as noted in § 102–118.325, agencies must submit their prepayment audit plans for approval. In addition, GSA may from time to time request to examine your agency's transportation policies to verify the correct performance of the prepayment audit of your agency's transportation bills.

§ 102–118.30 Are Government corporations bound by this part?

No, Government corporations are not bound by this part. However, they may choose to use it if they wish.
